

RENEW 2016

Renewable Energies Offshore

24 - 26 October 2016

Lisbon, Portugal

CALL FOR STUDENT POSTERS

Students are encouraged to participate in the Conference and in order to give them an opportunity for presenting their work and obtaining comments and feedback on their work, student posters will be accepted and will be displayed during the Conference.

Submission of posters can be made after the abstract being accepted.

Abstracts and Posters have to be submitted on the Conference web site:

<http://www.centec.tecnico.ulisboa.pt/renew2016/>

Poster submission deadline: 7th October, 2016
